A MISTAKEN POLICY.

The policy inaugurated by our contemporaries in this city in their wholesale abuse of Mr. Newlands arises of an ignorance of the ethics of journalism, politics and common sense.

In the first place any qualified voter in the State has a right to seek any office within the gift of the people.

Mr. Newlands announces that he is a candidate for Congress and Mr. Bartine makes the same announcement.

Since it became known that there was liable to be a contest, both gentlemen have invariably spoke in the most courteous terms of each other and each man recognizes the ability and industry of the other, in the fight for silver.

Whether this is because each man thinks the other has done as much for silver as himself, or because each is too much of a gentleman, or too much of a politician to speak slightly of the other, we are not advised.

While these amenities are in progress between the principles it ill becomes the supporters of either man to speak in abusive epithets of his rival.

The News and Tribune of this city have exhausted, as far as they are able, the vocabulary of invective, in assailing Mr. Newlands. Coarse abuse is not argument and billingsgate never yet did anything more than assist the man it was applied to.

In the meantime the papers which have espoused the claims of Mr. Newlands have never said a slighting thing of Mr. Bartine.

Both these gentlemen have been good fighters for silver, one in the halls of legislature, and the other all over the country, anywhere that he found fighting ground.

Neither of these deserves abuse from any Nevada paper, and criticism of their action indicates to people abroad that the voters of Nevada are not united on the silver question.

It is high time to call a halt in this business and give the people a clean campaign.

HOW THEY STAND.

The Reno Gazette is very much exercised over the people that the silver electors will vote for. It claims that they are unpledged. Here is the platform they are pledged to and it is certainly plain enough:

The citizens of Nevada, representatives of the various Silver Leagues, irrespective of party affiliations, in convention assembled, do set forth the following declaration of principles:

First—We demand the full remonetization of silver and the free and unlimited coinage thereof at the present ratio of sixteen to one.

Second—We are radically and unalterably opposed to the National Republican and Democratic parties on the question of the free coinage of silver, and we denounce the action of their recent National Conventions as inimical to the material interests of the people of the United States, and especially to those of Nevada and all the other mining States and Territories; and we hereby repudiate the nominees of their Conventions.

Third—We pledge the nominees of this Convention for Presidential Electors, to support no man for President and Vice President of the United States who is not unqualifiedly in favor of free coinage as defined by this convention. We reserve to the Silver Leagues of Nevada, in State Convention assembled, the right of directing said Presidential electors for whom to cast their votes, should contingencies require

Pasturage.

On the Duffy and Kirman ranches which contain over 700 acres, being the largest body of pasture land in Ormsby county. As the waters from Clear Creek flume, Ash Canyon and Lake View flow through the property it is the best watered. From the extended range it is eminently fitted for stock cattle and horses. Two bulls, a Holstein and a Jersey, are kept for the service of stock. A limited number of milch cows will be driven from and returned to the city daily. Season commences April 15th. Terms reasonable.
